EAGLE CERAMICS ETERNAL CHOICE

Introduction

With its headquarter located in Foshan Guangdong—the China Ceramic Capital, Eagle Brand Industrial is one of the most internationally renowned manufactures of modern building ceramics.

Eagle Brand Industrial owns Eagle Ceramics, Eagle 2086, Hopo Ceramics, ECOEAGLE, Eagle Remodeler and other brands, with product covering tiles, wall panels and so on. Eagle Brand focuses on R&D, production and sales of building ceramics, new organic materials and eco-friendly polymer finishing materials, extends the layout of the large home industry, with new stores to create healthy home living, and is committed to providing consumers with eco-friendly prefabricated one-stop solution.

At present, Eagle Brand Industrial has more than 1,000 employees, an annual capacity of more than 30 million square meters of tiles, more than 300 patents and more than 5,000 retail stores. The products are popular in both domestic and overseas markets.

Tang Collection

Based on the main characteristics of "Southern Green and Northern White", the 「China - Tang」 collection takes the green and white porcelain of the Sui and Tang dynasties as the blueprint for its design and recreating its simple and elegant tone, while integrating modern techniques to express decorative techniques such as twisted-clay body and carving, combining traditional artistic expression with modern techniques.

Song Collection

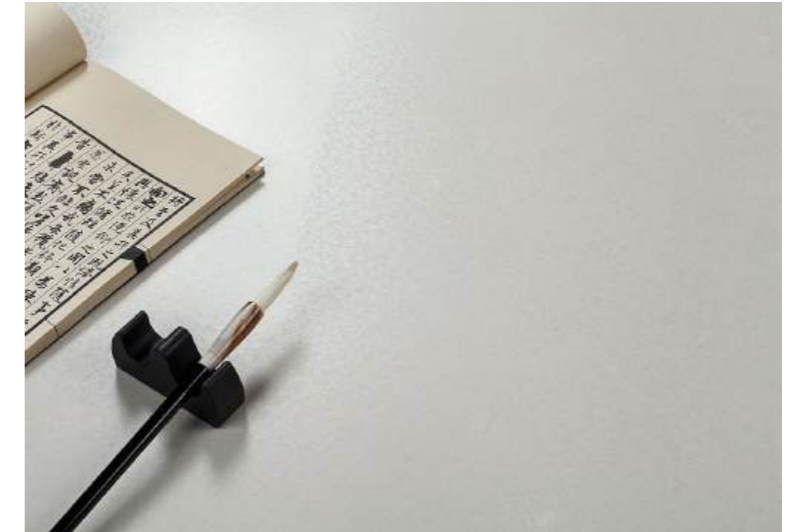

Inspired by the "Ru, GE, Guan, Ding, Jun" five famous kilns of the Song Dynasty, Song Collection reproduced the black and gold line, carving, glaze-cracking and other classic techniques, restore the elegant and classical charm of Song porcelain, exploring the poetical habitat created by the aesthetics of the Song porcelain and the modern home.
