Note: Contact your Lutron sales representative for product availability in your region

Picos

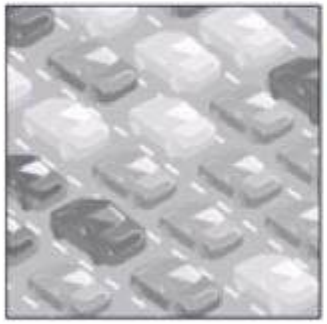
Pico Wireless control

Wireless Occupancy sensor

230V Thermostat

Wireless Communication: CLEAR CONNECT Patented Technology

- Lutron Technology from 1990s
- Operates in 868MHz/434 MHz Bands



In crowded frequency bands – high potential for RF interference

2.4 GHz:

- Telephones
- Wi-fi networks

In low traffic, restricted frequency band – ensures flawless communication

868 **MHz:**

- Lutron Clear Connect devices
